ILLICIT DRUGS

Late Wednesday afternoon a well planned raid of business houses and tenements in Carson City's Chinese quarter was inaugurated by government agents, with the result that a lot of opium and yen shee, approximately valued at \$3000, was captured. In all 13 places were searched, but only in one, the store of Sun Quong Chung, were the proscribed drugs found.

It has been stated that the last consignment of "dope" coming to this city was incidental with the arrival of a white woman from San Francisco about 10 days ago. She was accompanied by a Chinese. It is said that these two are regularly employed by the ring which is persistently distributing drugs about the country and that Carson is the chief distributing point for the whole valley section.

Complaint has been filed against Sun Quong Chung for having illicit drugs in his possession, and he will be up before United States Commissioner Ellis tomorrow for examination.—Carson City Appeal.

MEXICO TRIES
TO HOLD LABOR

Irrigation Project Is Begun In
Hope of Inducing Men
Not to Migrate

(Correspondence of Associated Press)
MEXICO CITY, Aug. 2.—Governmental efforts to stay the emigration of Mexican workers into the United States and to induce those already there to return to their native land have taken form in the official support given a corporation recently formed to develop 500,000 acres of land in the Fuerte valley of Sinaloa. The company, in addition to a federal concession, has been granted a subsidy of \$2,500,000 by the state government of Sinaloa and large tracts of land in that state. It plans to construct several reservoirs at Chols and a dam at San Blas, with canals on each side of the Fuerte river to be used for irrigation purposes. With land available for irrigation it is hoped to keep Mexican laborers in Mexico and secure the return of thousands who have emigrated to the United States.

In the Race for State Senator

(From the Manhattan Magnet, August 7, 1920)

In seeking at the hands of the Democratic party the nomination State Senator from Nye County, Ben D. Luce stands upon his records. He has always been a zealous worker for his party, but when he served the people of this county in the Legislature, he strove for the general good of all the people, no matter what might be their political affiliations. Although himself too old to shoulder a rifle, he sent his son to battle and was a vigorous war worker throughout the conflict. Mr. Luce was a power in the Nevada Legislature, and when he was chosen Speaker of the House his every decision was marked by impartiality and good judgment. He has been a resident and taxpayer of Nye County for many years and is a heavy operator in the mill tailings industry at Tonopah. He merits and enjoys the confidence and friendship of all his workmen.

DECISIONS
PECULIAR

Courts Without Legal Rights
Inflict Unusual Penalties
for Crime

(Correspondence of Associated Press)
DUBLIN, Aug. 1.—Some of the decisions of the recently organized Sinn Fein courts disregard all precedent of court procedure and reflect much of the imagination of a highly temperamental race. They must resort to subterfuges in criminal sentences because they have no prisons, but their findings in civil cases sometimes are most unusual.

A will case was recently tried in a district court. Two brothers were to operate their father's farm jointly after his death until one of them should decide to marry. Then it was to be divided between them. One of the brothers became engaged and maintained that as he was the first to set up a new home of his own he should divide the estate to suit himself. The other objected. The Sinn Fein jury decided that the engaged man should be allowed to divide the farm but that his brother should have the right to select the division he wanted.

A man who stole something from a farmer was sentenced to work 30 days for the farmer and return the article. Another who stole a set of harness was paraded through the village streets with the harness tied about him, then taken to the owner and made to apologize as he returned the harness.

(Correspondence of Associated Press)
SYDNEY, Australia, July 21.—Tentative dates for the international tennis matches for the Davis cup have been set for the last of next December and January 1, the hosts of New Zealand's summer. According to present plans, the matches will be held at Auckland, the largest city of New Zealand.

Although unable to grant definitely the request of New Zealand players that the matches be held at Auckland, the Lawn Tennis association of Australasia has authorized expenditures in anticipation of the contests there. Final choice of Auckland depends upon the consent of the challenging nation.
